Subject: Contact with Witness - [REDACTED]

Undersigned called Witness [REDACTED] on today's date at @ 1025hrs and did a telephone interview. [REDACTED] states that he and the Reporting Party, [REDACTED] had just bought juice and chips from the corner store on [REDACTED] when a male black that he knows only as "[REDACTED]" approached the Reporting Party and asked if he could speak with him. They were talking when [REDACTED] tried "stealing on" the Reporting Party. [REDACTED] states that "stealing on" means [REDACTED] tried to punch the Reporting Party. [REDACTED] states that the Reporting Party ran and that "[REDACTED]" got back in his car and left the area. When asked how he knew the male black was named "[REDACTED]", [REDACTED] states that is what the Reporting Party told him. He also states that when the Reporting Party was telling him the story afterward he said that [REDACTED] chased him in his car for a long time, but [REDACTED] did not witness this.
